April newsletter

Dear members and friends of SA Olive,

We would like to remind you of a few important matters and upcoming events.

CTC Update

SA Olive's Panel is ready to taste your new olive oil. Get ready to submit your samples without delay!

The next CTC tasting will be on Monday 9 May. Make sure to use the [2022 Application Form](#). All CTC information can be found on the [CTC page](#)

Important points to remember regarding CTC:

- A Lot number or Tank number must appear on all samples submitted for tasting. This is crucial to ensure traceability.
- The Best Before Date (BBD) must be clearly shown on the container.
- The BBD cannot be more than 24 months from processing, **not** from bottling.
- The CTC seal cannot be transferred, i.e. if someone buys your EVOO, they will need to submit a new sample for CTC.
