

SA Olive Newsletter - July 2022

Dear members and friends of SA Olive

We have entered the busiest time of the year for our olive oil producers. Judging for the **2022 SA Olive Awards** is one month away and **CTC tastings** are happening weekly until 1 August.

This is also the time of the year when important decisions are made which will impact the following season. This is why we are holding a **Pruning, IPDM and Nurseries Field Day on 5 August**.

If you are a member of SA Olive and want to **have your say**, fill in our quick surveys in the [Members area](#). If instead you are **not a member** of SA Olive and want to find out more, start by reading [here](#).
