

Dear producers and members,

SAOLIVE received communication that the FLM fourth **Seeds of Change Supplier Development partnership** entries are now open to all aspiring local social entrepreneurs and small businesses to join the FLM group as a supplier.

We want to urge our producers that see the benefit of becoming a FLM supplier to enter this initiative. The detail and the entry form to the programme can be find via the below link. The closing date for entries are the **8th of April 2024**.
