

Dear Members,

Wesgro invites you to apply for our **Export Talks – Unpacking the New Customs Act**, taking place on the 13th of December 2023

Why join the Export Talks?

Unpacking the New Customs Act will specifically focus on the critical aspects of Registration, Licensing, and Accreditation (RLA). RLA plays a pivotal role in ensuring that businesses engaged in international trade comply with the regulatory framework set forth by the New Customs Act.

Join us in an insightful online talk that delves into the intricacies of the latest South African Customs Acts, with a focus on the Duty Bill and Control Bill of 2014, including the Customs Modernisation Program.

This session is specifically tailored for exporters who aim to stay abreast of the evolving legislative landscape and ensure full compliance with the regulatory framework.
