

Dear Producers and members,

SA Olive is actively working with government to advocate for the VAT Zero rating of olive oil, a move that could significantly benefit our industry. To strengthen our position, we are requesting your assistance.

We kindly ask you to provide a support letter to demonstrate industry backing for this initiative. Your contribution is crucial to show a united front in advancing this matter.

Please send your support letter to info@saolive.co.za by Thursday the 14th of November 2024.

The link below provides an example of the support letter.
